

## **Rig Management Norway AS (RMN)**

*was founded in 2005. Our business concept is to establish and facilitate consortiums of oil companies and procure rig capacity to serve the members drilling needs. Our vision is to be a leading provider of this service in Norway and internationally. We are currently working for 16 oil companies and are facilitating rig contracts with three major rig owners. We have long term contracts with three consortiums; the West Alpha consortium, the Borgland Dolphin consortium and the Transocean Arctic consortium – and are in process establishing new consortiums both in Norway and internationally. We are a small, flexible and expansive company with offices in "Stavanger's finest building". Since our customers have asked us to extend our services linked to RMN core business, we now want to expand our staff with;*

# **CONTRACT MANAGER**

The Contract Manager's main responsibility will be to manage the procurement of third party services for rig consortiums. The area of responsibility covers the full process from tenders to administration of ongoing contracts. The value of the contracts is substantial. The candidate should thus have extensive and relevant experience from the drilling industry; oil companies, drilling contractors or service companies.

# **CONTRACT COORDINATOR**

The Contract Coordinator's main responsibility will be to manage the day to day work for the established rig consortiums. The tasks include establishing and administering third party services contracts for rig consortium members. He or she will be responsible for facilitating and coordinating all communication, meetings for the third party services tenders and contracts for the consortium members.

We are looking for energetic, competent and independent persons who want to work in a small and flexible team with ambitions for growth. We have international ambitions and some travelling must be expected. Remuneration is competitive. For more detailed job descriptions – contact Managing Director Geir K. Pedersen +47 905 090 54 or Project Manager Ida Hassan +47 472 952 22 – or follow this link: [www.rmnas.com](http://www.rmnas.com) Please send your application by January 30, 2012 to Grethe Veen: [veen@rmnas.com](mailto:veen@rmnas.com)
